

TURKISH MEETING

The sentence I can say is 'It was a great experience'.

On the first day; we started the day with visiting the Mayor of Education and The Mayor of Germencik. We shared our feelings of how nice to host our guests and how nice to be in Turkey.

After the visits we went to school, children were really excited and happy to see guests at school. Seeing the people who were on computer screen on skype and photos was exciting for them.

In the afternoon we started our workshop to take our first steps of our game. Those times we didn't know that we would have a great game, those were the times with fever.

On the second day, we visited Virgin Mary's House, Ephesus and Şirince Village. We prayed, got knowledge about ancient times in Ephesus and smelled fresh air in Şirince.

On the third day, after breakfast we found ourselves at school to improve our thoughts about our game. We worked a lot and thanks to good weather we could get on a yacht to see how beautiful Kuşadası is.

Actually every day after dinner until midnight we worked on our thoughts at the hotel.

On the last day; as it was our last moments in Turkey, I wanted everything to be perfect. We were on the way to Bodrum... We visited Bodrum Castle, ate in Gümüşlük, and saw the city.

We were very happy to be in Turkey all together...
